Business Start-Up Package

Thinking of setting up a business, starting a business, contact us. We are there to guide you the right way.

Help your new business get off the ground

Shanahan Kinirons Fitzpatrick has over twenty-five years working with entrepreneurs and business owners from start up stage to growth stage to expansion stage.

At Shanahan Kinirons Fitzpatrick we offer a supportive and competitive start up package.

- We advise on the most tax efficient structure for your business.
- We deal with your Company Secretarial issues in setting up the company.
- We assist in accessing finance such as grants from various banks, from financial institutions or local supports.
- We can assist in business plans, cash flow projections, budgets and loan applications.
- We provide practical advice in helping your business get off the ground from day one.

Once you start taking the small steps in setting up the business we will be there each step of the way with you.

We can help you in setting up a payroll package, setting up your bookkeeping system, your accounts system, your spreadsheets, giving advice on setting up invoices, dealing with foreign currency, getting a bank account and getting a tax number.

Dealing with Revenue and liaising with the Companies Registration Office - we are here to help you get started.
